## GAME ON!

It's time to get our game on ... and get our tailgate on! Summer may have passed, but we are still firing up the grill, throwing out the lawn chairs, and cracking open a few cold drinks, all in the name of cheering on the team and enjoying these cool autumn days. This week's Merchandise Spotlight features items from our rewards portfolio to make sure your tailgating outings are always winning.

5. iLive™ Wireless Tailgate Speaker: Go big or go home! This massively charged speaker streams audio up to 60' away, or connect to the aux in or FM radio. LED light effects get the party going, and the included mic encourages impromptu karaoke while waiting for the game to start.

6. Sport-Brella Versa-Brella All-Position Umbrella: The Versa-Brella is perfect for those random sunny spots where you just need a bit of shade overhead. 8. Coleman® 36-Can Soft-Sided Portable Party Cooler: This space-saving soft cooler will keep up to 36 cans chilled for you, and if it should start to drizzle during the game, it'll keep them dry, too, with its water-resistant exterior.
